Bannister Engineering, LLC (BELL) currently employs engineers who are licensed in Texas, Arkansas, and Oklahoma. BELL only offers to perform engineering services in states where BELL is registered as an engineering firm or where no such registration is required. BELL is registered as a land surveying firm in Texas, and land surveying services are offered by BELL in Texas only. The information provided in this Statement of Qualifications is informational only. Nothing in this document should be interpreted as an offering for any professional service in jurisdictions where BELL is not authorized to do so.

BANNISTER ENGINEERING, LLC – FIRM OVERVIEW

Bannister Engineering, LLC is a Dallas/Fort Worth based professional services firm providing Civil Engineering, Land Surveying, Hydrology, Landscape Architecture, Land Planning, and MEP design services throughout Texas. These services, with the exception of Land Surveying, are also available for projects in Arkansas and Oklahoma. Our projects range in size from hundreds of acres of land development to less than 1,000 square feet of tenant finish-out design. We have performed surveys for properties in excess of 3,000 acres. We are registered with the Texas Board of Professional Engineers and Land Surveyors (10599, 10193823). We are also registered in the various other states where we provide professional services.

T. Jason Bannister, P.E. began offering engineering services in May of 2007. In June of 2008, Mr. Bannister organized the company as Bannister Engineering, LLC and became the firm's President. In September of 2008, the firm gained a valuable leader when Jeff Linder, RLA, LEED-AP joined the company to become Bannister Engineering's Vice President. In 2017, in recognition of his 10 years of dedicated service, and honoring him as the first employee ever hired by the firm, Cody R. Brooks, P.E. was inducted as an additional owner of the firm.

Bannister Engineering, LLC employs a staff of approximately 35 talented individuals, including licensed professional engineers, registered landscape architects, hydrologists, professional land surveyors, and survey field personnel. We are highly qualified to provide a wide range of multi-disciplined services with in-house staff. Our resume includes 3,384 projects located in approximately 312 different permitting jurisdictions in Texas, Arkansas, Oklahoma, and various other states.

MISSION STATEMENT

Bannister Engineering's mission is to meaningfully contribute to the success of our clients while demonstrating our core values.

CORE VALUES

At Bannister Engineering, we are dedicated to practicing and demonstrating the following Core Values each and every day.

- Respect
- Integrity
- Reliability
- Service
- Quality
- Accountability

SERVICES**Civil Engineering / Hydrology**

- Drainage Design and Drainage Studies
- Storm Water Detention Design
- Hydrology and Flood Studies
- Flood Plain Reclamation Projects
- Grading Design
- Water and Wastewater Design
- Site Paving and Dimensional Control
- Roadway Planning and Design
- TxDOT Permitting
- Erosion Control, SWPPP, Storm Water Quality

Land Surveying

- Boundary Surveys, Title and ALTA Surveys
- Topographic Surveys
- Platting
- Easements and Right-of-Ways
- As-Built Surveys
- Construction Staking
- Mapping Services

Landscape Architecture

- Landscape Design
 - Commercial, Residential, Light Industrial
- Irrigation Design
- Parks and Trails Design
- Urban Forestry and Tree Conservation Plans
- Amenity Plans and Entry Features

MEP Engineering

- MEP Design for New Const. and Remodel
 - Commercial, Residential, Light Industrial
- Heating, Ventilation, and Air Conditioning
- Interior Lighting Design
- Exterior Lighting Design
- Photometric Analysis
- Interior Power Distribution Design
- Plumbing Design (Water, Gas, Wastewater)
- Energy Code Compliance

Land Planning

- Feasibility Studies
- Land Use Planning
- Master Plans
- Site Plans
- Development Plans
- Zoning
- Planned Developments
- Specific Use Permits

Note: Bannister Engineering, LLC (BELLC) currently employs engineers who are licensed in Texas, Arkansas, and Oklahoma. BELLC only offers to perform engineering services in states where BELLC is registered as an engineering firm or where no such registration is required. BELLC is registered as a land surveying firm in Texas, and land surveying services are offered by BELLC in Texas only.

PROJECT CATEGORIES

Commercial

- Retail
- Hotels
- Restaurants
- General Office
- Automotive Dealerships
- Banks and Credit Unions
- Automated Car Washes
- Self-Storage / Boat & RV Storage

Institutional and Government Buildings

- Schools (K-12)
- University Buildings
- Museums
- Churches
- Fire Stations
- Jails
- Courthouse Renovations
- Other Government Buildings

Medical

- Medical and Dental Office
- Medical Imaging Centers
- Surgical Centers
- Hospitals
- Rehabilitation Facilities
- Skilled Nursing Facilities

Residential

- Assisted Living Facilities
- Independent Age Restricted Housing
- Multi-Family Housing
- Single-Family Residential Development
- Student Housing

Light Industrial

- Light Manufacturing
- Trucking and Distribution
- Warehouse

PRINCIPAL RESUME**T. JASON BANNISTER, P.E., M.B.A. – PRESIDENT**

Overview: Jason Bannister began his career in the spring of 1993 as an engineering intern with the transmission and distribution divisions of Georgia Power Company. Since that time, Jason has worked for several engineering consulting firms, both large and small, and a north central Texas municipal public works department. In May of 2007, Jason set out to found an engineering firm dedicated to client service. In June of 2008, Mr. Bannister formally organized the company as Bannister Engineering, LLC and became the firm's President.

Education: University of Texas at Arlington – Arlington, Texas
M.B.A. - Master of Business Administration

Auburn University – Auburn, Alabama
B.C.E. - Bachelor of Civil Engineering

Licensure: Professional Engineer – Texas (#90853), Arkansas (#14409), Oklahoma (#23775)

Jason Bannister is recognized by the Texas Board of Professional Engineers and Land Surveyors (TBPELS) in the following engineering disciplines:

- Civil Engineering
- Electrical Engineering
- Mechanical Engineering

Experience: Jason Bannister has approximately 30 years of relevant experience including site planning, grading, roadway, drainage, flood control, water, sanitary sewer, franchise utility, erosion control, and MEP. His experience as an engineer, project manager, or firm principal includes well over 1,000 projects in the areas of general commercial, retail, office, churches, hotels, K-12 schools, medical, roadway, assisted living and skilled nursing, light industrial, warehousing, parks and trails, single-family residential development, and multi-family residential development. These projects, serving both public and private clients, have spanned over 250 jurisdictions throughout Texas, Oklahoma, Arkansas, Louisiana, and several other states.

PRINCIPAL RESUME

JEFFREY W. LINDER, RLA, LEED AP – VICE PRESIDENT

Overview: Jeff Linder started his professional career in the summer of 1993 as an intern with the Texas Department of Transportation. After graduation from Texas A&M University in May of 1995, Jeff began working as a graduate landscape architect for Kimley-Horn and Associates, Inc. Jeff joined Bannister Engineering, LLC in 2008 and became a Principal owner in the firm.

Education: Texas A&M University – College Station, Texas
B.L.A. – Bachelor of Landscape Architecture

Licensure: Registered Landscape Architect – Texas (#2033), Oklahoma (#0301),
Arkansas (#5189)
LEED Accredited Professional

Experience: Jeff Linder has approximately 30 years of relevant experience, including space master plans, public park design, streetscape design for public roadways, site planning and site design for municipal facilities, school (K-12) site planning and landscape design, multi-family residential landscape plans, landscape plans for commercial developments, site planning and landscape design for churches and institutional projects, master planning for commercial, hotels, residential and mixed-use projects, single-family lotting plans, annexation, rezoning, platting, and project management for the entire scope of civil and landscape services for residential and commercial development projects. Jeff's experience as a landscape architect, project manager, or firm principal includes well over 1,000 projects serving both public and private clients throughout more than 200 jurisdictions in Texas, Oklahoma, and Arkansas.

PRINCIPAL RESUME**CODY R. BROOKS, P.E. – DIRECTOR OF CIVIL ENGINEERING**

Overview: Cody began his career in 2000 as an instrument-man on a field survey crew. In 2002 he accepted the role of engineering design technician with a large national engineering firm. In 2007, Cody was hired by Jason Bannister and holds the distinction of Bannister Engineering's first employee. Throughout his career, Cody has served in a variety of roles including field surveyor, survey technician, designer, project engineer, project manager, and Director of Civil Engineering.

Education: Tarleton State University (TSU) – Stephenville, Texas
Bachelor of Science – Environmental Engineering

Experience: Cody Brooks has approximately 23 years of relevant experience including site planning, grading, roadway, drainage, flood control, water, sanitary sewer, and erosion. His experience as a designer, engineer, project manager, or engineering department head includes over 1,000 projects in the areas of general commercial, retail, office, hotel, churches, K-12 schools, medical, roadway, assisted living and skilled nursing, light industrial, warehousing, parks and trails, single-family residential development, and multi-family residential development. These projects, serving both public and private clients, have spanned over 150 jurisdictions throughout Texas.

FIRM EXPERIENCE

Bannister Engineering, LLC has performed approximately 3,384 Civil Engineering, Structural Engineering, Land Surveying, Hydrology, Landscape Architecture, Land Planning, and MEP design projects for public and private clients throughout approximately 312 different jurisdictions in various states including, but not limited to, Texas, Arkansas, and Oklahoma. Below is a list of Bannister Engineering, LLC projects, sorted by location. Bannister Engineering, LLC project numbers are listed in parentheses after each project name/description.

TEXAS**Abilene, Texas**

- Panda Express Restaurant at I-20 and SR 351 – Civil Engineering and Landscape Architecture (046-12-09)
- Excel ER – Civil Engineering and Landscape Architecture (153-15-01)
- Cook's Children's – MEP Design (149-16-05)
- First Bank Texas – MEP Design (140-19-002)

Addison, Texas

- Courtyard Marriott – Civil Engineering and Surveying (999-13-12)
- Lupe's Tortilla – Structural Engineering (173-8-001)
- Addison Grove Multi-Family Buildings – MEP Design (197-19-002)
- Loro Asian Steakhouse – Civil Engineering, Landscape Architecture and Surveying (240-21-001)
- 14131 Midway Rd – Landscape Architecture and Surveying (104-21-007)
- Benihana – Civil Engineering and Surveying (192-22-001)
- Addison Airport – Surveying (369-22-001)
- Addison Grove Block D, Building 7 – MEP Design (197-22-002)
- Addison Airport – Surveying (369-22-002)
- Addison Grove Block D Building 4 – MEP Design (197-23-001)
- Addison Grove Block C Building 1 & 10 – MEP Design (197-23-002)
- Addison Grove Block C Building 8 & 9 – MEP Design (19-23-003)
- Addison Grove Block C Building 2 & 3 – MEP Design (197-23-012)
- Addison Grove Block C Building 6 – MEP Design (197-23-013)
- Addison Grove Block C Building 5 – MEP Design (197-23-014)
- Addison Grove Block D Building 8 & 9 – MEP Design (197-23-016)
- Addison Grove Block D Building 1 & 3 – MEP Design (197-23-017)
- Addison Grove Block D Building 2, 5 & 6 – MEP Design (197-24-001)

Albany, Texas

- Shackelford County Law Enforcement Center and Jail – MEP Design (068-10-01)

Aledo, Texas

- Kwik Kar Wash – Civil Engineering, Landscape Architecture, and Surveying (065-10-01)

- Mangum Add. Driveway – Civil Engineering (999-17-53)
- 740 Jenkins Road – Structural Engineering (999-18-113)

Alice, Texas

- Panda Express Restaurant at 1205 E. Main Street – Civil Engineering, Landscape Architecture and Surveying (046-13-28) (046-13-34)

Allen, Texas

- Panda Express Restaurant on Stacy Rd – Civil Engineering and Landscape Architecture (046-09-06)
- The Frogg Coffee House – MEP Design (999-11-09)
- Proposed Veterinary Clinic at Stacy Road and Watters Rd – Civil Engineering (999-12-05)
- Alma Veterinary Clinic at Alma Drive at Ridgeview Drive – Civil Engineering, Landscape Architecture, MEP Design and Surveying (999-12-14)
- Veterinary Clinic on Lots 1 and 2 Block A – Avondale Commercial Addition – Surveying (999-13-20)
- Orchard Park – 4.0 Acre Tract at the Southwest Corner of Exchange Parkway and Junction Drive – Civil Engineering, Landscape Architecture, MEP Design, and Surveying (072-13-02)
- Orchard Park (Approximately 5.22 Acres) NE Corner of Stockton Drive and Baumgartner Way – Civil Engineering, Landscape Architecture, MEP Design and Surveying (072-13-03)
- Dolce Living Twin Creek Phase 1 – Surveying (999-15-03)
- Allen Stake Center – Landscape Architecture (090-15-04)
- 4.88 Acre Survey – Surveying (999-17-96)
- Lupe Tortilla Restaurant – Civil Engineering and Surveying (999-18-058)
- Twin Peaks – Surveying (999-18-083)
- Low Voltage Solutions – MEP Design (192-19-001)
- Acadian Office Parks – Surveying (999-19-049)
- Heritage at Twin Creeks – Surveying (999-19-051)
- 14 Acres of Land at the NWC of Hwy 360 and E. Sublett – Civil Engineering, Site Planning and Surveying (351-22-002)
- Lone Spur – Surveying (358-22-001)
- Savoy Station – MEP Design (024-22-008)
- Touchstone Imaging – MEP Design (201-23-001)
- Twin Creek, Suite 7120 – MEP Design (341-23-003)

Alpine, Texas

- AT&T Tower – Civil Engineering (058-13-09)

Avalon, Texas

- Avalon ISD Building – Civil Engineering and Surveying (094-14-01)

Alvarado, Texas

- 12.0 Acre Office and Trucking Center on Southbound I-35W – Civil Engineering (011-07-01)
- Hodges Trucking (033-10-02)
- Hodges Trucking Expansion for Chesapeake Energy Corporation – Civil Engineering and MEP Design (011-11-02) (011-12-01A)
- Barken's Hard Chrome – Civil Engineering (999-14-04)

- Willow Springs Ranch – Surveying (999-15-14)
- Ratjen 8 AC – Surveying (999-15-32)
- Crossan 2AC – Surveying (999-15-35)
- Johnson County Distillery – Surveying (999-16-13)
- Castle Vista – Surveying (999-16-23)
- Alvarado Surveys, 73 Acres and 67 Acres – Surveying (999-16-32)
- 228 Acres – Civil Engineering (999-16-69)
- 10437 E. FM 917, ESA Phase 1 – Civil Engineering (162-17-01)
- FM 1807 – Surveying (999-17-59)
- Mini-Storage located South Hwy 67 and East of N Jessup St – Civil Engineering, Structural Engineering and Surveying (999-17-83)
- Great Southwestern Construction – Structural Engineering and MEP Design (999-17-121)
- Total Pallet Solutions – MEP Design (999-18-051)
- TxDOT Driveway – Civil Engineering (999-18-078)
- 10 Acres Site – Surveying (999-18-092)
- Richie Construction – Surveying (999-19-042)
- 9505 County Road, 505 Alvarado – Surveying (9042-20-002)
- Alvarado RV Park – Civil Engineering and Surveying (235-21-001)
- 4605 CR 610 – Surveying (242-21-001)
- Grantges – Civil Engineering (299-21-001)
- 9517 Calixtro Court – Surveying (346-22-001)
- 4301 CR 607 – Surveying (9042-23-002)
- Sabre Industries – Civil Engineering, MEP Design and Surveying (487-24-002)
- 8625 E FM917 – Civil Engineering (493-24-001)

Alvin, Texas

- Domino's Pizza – Landscape Architecture (104-18-009)
- DMartin Residence – MEP Design (192-21-001)

Amarillo, Texas

- Dunkin Donuts – Civil Engineering (999-12-03)

Andrews, Texas

- Andrews County Tax Office – MEP Design (082-15-05)
- Andrew's JRC – MEP Design (082-15-07)

Anna, Texas

- City of Anna EDC Building – MEP Design (082-12-03)
- FM 455 Anna – Civil Engineering (999-12-08)
- Hayslett Addition, Phase 1 – Civil Engineering (090-15-01)
- Anna Crossing – Surveying (090-15-02)
- Leonard Tract – Civil Engineering (090-15-07)
- Anna Town Crossing Leonard Tract – Civil Engineering and Surveying (090-16-07)
- Palladium Preliminary – Civil Engineering and Surveying (999-16-80)
- Detention Pond Redesign – Civil Engineering (090-16-15)
- Anna Town Crossing, Phase 2 – Civil Engineering and Surveying (090-16-18)
- Anna Crossing AMC – Surveying (090-16-22)
- Anna Town Crossing, Phase 3B – Civil Engineering and Surveying (090-17-01)

- Anna Town Crossing, Phase 7 – Landscape Architecture (090-17-04)
- Panda Express Restaurant at Hwy 75 and FM 455 – Surveying (104-17-08)
- County Road 1106 Street Lights – MEP Design (139-17-04)
- Anna Town Center 40 PGE – Planning (090-17-11)
- Anna Crossing, Phase 4B – Civil Engineering and Surveying (090-17-12)
- Pecan Grove II – Landscape Architecture (090-17-14)
- 26 Acre Single Family Residential Property 40 PGE – Planning (090-17-19)
- Anna Towne Crossing Phase 5 – Civil Engineering, Surveying and Landscape Architecture (090-17-21)
- Anna Towne Center Mixed Use SF 30/40 Pod – Civil Engineering, Surveying and Landscape Architecture (090-17-22)
- Anna Town Center – Civil Engineering (090-18-002)
- Anna Town Crossing Phase 7 – Surveying (165-18-003)
- Anna Town Crossing Mixed Property – Surveying (090-18-010)
- Anna Town Crossing Mixed Use 40's – Civil Engineering, Landscape Architecture and Surveying (090-18-11)
- 49.434 Acres – Surveying (090-18-013)
- 27.9 Acres, Phase 6 of Anna Town Center – Surveying (090-18-017)
- 101 Lots on Approximately 25.9 Acres Located East Foster Crossing Road – Civil Engineering, Landscape Architecture and Surveying (090-18-022)
- 4 Lots, Anna Crossing 1A – Surveying (090-19-002)
- 5.8 Acres Located in Grandison Stark – Surveying (090-19-003)
- Anna Town Crossing Phase 6 – Civil Engineering and Surveying (191-19-001)
- 128 Acres of Land, Tract 47, 123 and 127 – Surveying (090-19-006)
- Anna Town Center No. 2 – Surveying (090-19-008)
- Ann Town Center No. 5 (28.6 Acres) – Surveying (090-19-009)
- 2.71 Acres of Land, Tract 124, Granderson Stark – Surveying (090-19-013)
- Anna Town Crossing Phase 6 – Civil Engineering, Landscape Architecture and Surveying (196-19-001)
- Panda Express Restaurant – Civil Engineering and Surveying (104-19-005)
- 22.641 Acres, Granderson Stark – Surveying (090-20-004)
- Anna Town Crossing Square – Civil Engineering (090-20-009)
- Anna Crossing Villas – Surveying (191-20-002)
- Anna Crossing Phase 8, 9 & 10 – Civil Engineering and Surveying (196-20-002) and (090-20-013)
- Finley Blvd Tract 1 and Tract 2 – Surveying (090-21-009)
- 28.6 Acres – Surveying (090-19-009)
- 16 AC Acres – Civil Engineering and Site Planning (294-21-001)
- Anna Finley Design – Civil Engineering and Surveying (090-21-017)
- 125 Acre Collin County – Land Planning (289-21-002)
- 809 Mathew Dr Lot 9 & 10 – Surveying (090-21-019)
- Canvas at Anna – Civil Engineering, Landscape Architecture and Surveying (199-22-001)
- Serenity at the Square – Surveying (401-23-001)
- Anna Crossing Phase 1C – Civil Engineering and Surveying (191-23-001)

Argyle, Texas

- Cragin Office Building – Civil Engineering and MEP Design (024-16-10) (999-16-60)
- Eagle Plaza – Landscape Architecture (999-19-017)

- Tillar – Surveying (377-23-002)

Arlington, Texas

- Southwest Library – Civil Engineering (010-07-01)
- T.A. Howard Middle School Track – Civil Engineering (029-08-01)
- Summit High School Track – Civil Engineering (029-08-02)
- Mansfield ISD 2010 Facilities Assessments – Approximately 45 Campuses Reviewed (047-10-01)
- Arlington High School Expansion – Landscape Architecture (047-10-02)
- Dr. Shah Medical Office Building on Matlock Rd. (024-09-03)
- Magic Dentistry Office on E. Park Row Drive (999-09-12)
- Dr. Stretch Medical Office Building on Pleasant Ridge Rd. (024-10-01)
- Trinity Phase III Natural Gas Pipeline (060-11-01)
- Della Icenhower Elementary School Access Drive (047-11-01)
- Arlington Medical Offices – MEP Design (024-11-03)
- 4104 Bishop Creek Court – Civil Engineering (066-10-01)
- Staggerwing Office, Suite 131 – MEP Design (024-13-01) (024-13-02)
- Summit High School Parking Lot – Civil Engineering (047-11-07)
- Doctor Dacus Medical Office Building – Landscape Architecture (024-12-01)
- Aerofirma MOB – Landscape Architecture (024-12-02)
- Doctor Fikkert Medical Office Building – MEP Design (024-12-09)
- Arlington High School Improvements – Civil Engineering and Landscape Architecture (047-12-07)
- 400 East South Street – Landscape Architecture (039-12-01)
- 5305 Chaperito Trail – Surveying (033-12-13)
- Arlington Classics Academy on South Bowen Road – Civil Engineering and Surveying (094-13-01)
- Summit High School Additions – Civil Engineering and Landscape Architecture (047-12-02)
- T.A. Howard Middle School Additions – Civil Engineering and Landscape Architecture (047-12-02)
- Cross Timbers Intermediate Additions – Civil Engineering and Landscape Architecture (047-12-02)
- MISD 2011 Bond Program Improvements – 9 Campuses – Civil Engineering (047-12-02)
- Arlington High School Renovations – Civil Engineering and Landscape Architecture (047-12-07)
- McDonald’s Car Wash – Landscape Architecture (058-13-03)
- 1411 West Randol Mill – Civil Engineering (039-13-01)
- Massage School Arlington – MEP Design (024-13-07)
- 4019 Woodland Park – MEP Design (018-13-02)
- Double Y Wooded Estates – Surveying (039-13-02)
- Staggerwing Lot 4 – MEP Design (024-13-09)
- Andritz Separation Renovations – MEP Design (108-13-02)
- Texas Almet – MEP Design (999-13-34)
- Eden Road Building #3 – Civil Engineering (110-13-02)
- Helzer Tract (Approximately 36.0 Acres) – Surveying (090-13-06)
- Spartan Graphics – Civil Engineering and MEP Design (Approximately 9200 Sq. Ft.) (024-13-15)
- Center Street and Randal Mill – Landscape Architecture (058-14-01)

- Evolution Custom Auto Phase 2 – Civil Engineering, MEP Design and Surveying (121-14-01)
- Oil States Office Building – Landscape Architecture (110-14-01)
- Dr. Todd – MEP Design (024-14-01)
- Oil States Office Building – MEP Design (110-14-02)
- Success National Lease – Civil Engineering, Landscape Architecture and Surveying (999-14-07)
- Champion’s Circle – Civil Engineering and Surveying (055-14-01)
- Staggerwing Veterinary Clinic – MEP Design (024-14-04)
- Livingston Hearing Aid Center – MEP Design (087-14-03)
- Linron Properties – MEP Design (024-14-06)
- Arlington 71 Lot Feasibility – Civil Engineering (126-14-02)
- Seclusion Ridge – 71 Lot Residential Subdivision – Surveying (126-14-02B)
- 2410 Villanova Street – Surveying (999-14-16)
- Staggerwing Lot 3 Addition – Surveying (116-14-02)
- 1101 Wood Lane – Landscape Architecture, MEP Design and Surveying (999-14-20)
- Killer Hot Rods – MEP Design (999-14-22)
- 320 Dixon Lane – Civil Engineering and Landscape Architecture (999-14-25)
- Calendar Crossing – Civil Engineering (999-14-33)
- Lots 13A and Lots 13B of Block 1 – Arlington South Industrial Addition (Located on Harris Road) – Civil Engineering, MEP Design and Surveying (999-14-34) (999-14-35) (999-14-36)
- 5305 Chaperito Trail – Surveying (999-14-42)
- Helzer Tract at Turner Warnell Road and Russel Curry Road – Surveying (090-14-02)
- Spring Crossing Retail Space – MEP Design (999-14-46)
- Eden Village Cabana – MEP Design (133-14-02)
- Oak Cove Hydrant – Civil Engineering (121-14-03)
- Petmate – MEP Design (999-14-57)
- Helzer – 36.0 Acres at Northwest Corner of Turner Warnell Road and Russell Curry Road – Landscape Architecture (090-14-02A)
- Seclusion Ridge Civil – Civil Engineering, Landscape Architecture and Surveying (126-14-03C)
- I-20 Medical Office – MEP Design (024-15-01)
- Snider Tire Access Drive – Civil Engineering, Landscape Architecture and Surveying (999-15-16)
- Division Brewery – MEP Design (024-15-07)
- Anne Roach Residence – Landscape Architecture (999-15-21)
- Center Place 2 – Grading – Civil Engineering (143-15-01)
- Snider Tire Warehouse Addition – MEP Design (999-15-16A)
- All Storage – Landscape Architecture (999-15-46)
- Site 111C Arlington – Surveying (039-15-03)
- Poly Web Day Care – Landscape Architecture (999-15-50)
- Northwest Addition Survey – Surveying (039-15-04)
- Harris Rd. Topo – Surveying (999-15-54)
- Calendar Crossing – MEP Design (137-15-02)
- Harris Road Staking – Surveying (121-15-02)
- Connection Drywall Office – Civil Engineering, Landscape Architecture and MEP (024-15-09)
- Replat Arlington Industrial – Surveying (999-15-69)
- Staggerwing Addition – Surveying (116-16-01)

- Legal Draft Brewery – MEP Design and Structural Engineering (999-16-07)
- Chartwells UTA Connections Café – MEP Design (104-16-14)
- Chartwells UTA Einstein Brothers Bagels – MEP Design (104-16-15)
- Chartwells UTA Freshii – MEP Design (104-16-16)
- Chartwells UTA University Club – MEP Design (104-16-17)
- Nelson Medical Office – MEP Design (024-16-07)
- Kathy Warehouse – Landscape Architecture (152-16-02)
- WUMC – MEP Design (082-16-01)
- EZ Mart – Surveying (999-16-46)
